The Multi-purpose Beck Generator

It gives us great pleasure to be able to introduce you to the newest member of the **BECKgeneration®**-series.

The **BlueSun-LCD®**. The 3-in-One Beck generator

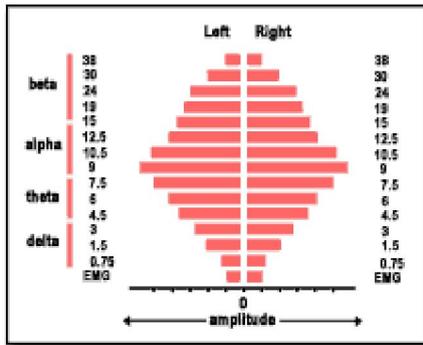

- J Improved Beck **Zapper**
- J Powerful **Colloidal Silver** generator
- J **Vital** revitalisation program
- J 5 different **CES** programs

The use of a powerful RISC-microprocessor allows us to offer several different applications in a single low power, compact device. The **BlueSun-LCD®** is able to effectively and safely carry out blood electrification with the Beck Zapper function, to produce Colloidal Silver professionally and last but not least it can be used to generate a random selection of **NET/CES** range frequencies

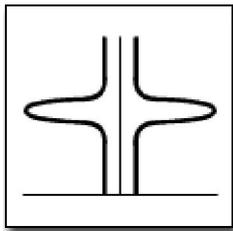

(Neuro Electrical Therapy/Cranial Electro Stimulation) in accordance with the Beck standard. Dr.Beck created his "Brain-tuning" device prior to developing the blood electrification Zapper. Along with other brain researchers, he was convinced that a positive stimulation of the brain neurotransmitters using different electrical frequencies was both possible and beneficial.

The **BlueSun-LCD®** offers the following features:

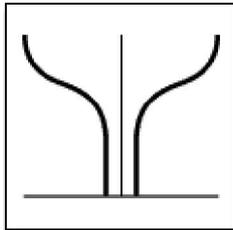

- User-friendly interactive Human Interface Device.
- Graphic LCD display with white led backlight.
- Synchronised optical and acoustic feedback.
- Powerful onboard RISC-microprocessor, 15 Mips.
- 100% AC output with zero DC component.
- Output current limited to 2mA.
- 1.8 amp/hour rechargable lithium-polymer accumulator
- Ultra short recharging time.
- 12 hours running time in Active mode.
- 6 months standby time in Sleep mode.
- Auto shut-off at program end.
- Low-battery warning with Auto shut-down facility.
- Blood electrification in accordance with the Beck Zapper standard. **60** minutes duration.

- Colloidal Silver generator with current limiter, polarity switching, **90** minutes duration.
- Revitalisation Program **45** minutes duration
- 5 CES programs in accordance with the Beck standard with **1,777,216** random frequencies,
- **30** minutes duration.
- Future software updates available.

Technical Data:

- Model Beck **BlueSun-LCD®**
- 30Volt RMS max output voltage
- Output current max 2mA
- 1.8 amp/hour Lithium-polymer battery
- Dimensions 105x65x22mm
- Weight 115g
- Warranty 24 months

Programs:

Classic Beck-Mode: The following randomly selected frequencies are generated in anti-phase:

A: **Zapper** 3.8 - 4 Hz = 514 frequencies

B: **Silver** 0.5 - 1 Hz = 26,474 frequencies

C: **Vital** 0.5,1.5,10,100 Hz = 4 frequencies

Beck CES-Mode: A total of 256 carrier frequencies between 100 - 20,000 Hz are modulated by the following randomly selected CES baseband frequencies.

1: **Balance** 8-14 Hz = 1,878 frequencies

2: **Energy** 14-22 Hz = 1,000 frequencies

3: **Wellness** 0.5 - 4 Hz = 55,338 frequencies

4: **Relax** 4 - 7 Hz = 4,186 frequencies

5: **Harmony** 7 - 9 Hz = 1,240 frequencies

Includes:

- 1 **BlueSun-LCD®**
- 1 connecting cable
- 1 velcro strap
- 2 gold plated brass contacts
- 6 cotton bags
- 2 silver bars
- 1 bracket

- 2 softfeel earclips
- 1 accumulator charger
- 1 comprehensive operating manual
- 1 storage case

In memory of Bob Beck. The Guru of self-healing

Bob Beck never had anything to sell and often titled his talk as "Take Back Your Power". He wanted to get the information out to the public that it was possible to cure yourself of serious, life threatening diseases without turning your life and wallet over to the drug barons. Bob Beck spent a good part of his life showing people that they could cure themselves of serious disease conditions and didn't have to be indentured to the drug companies, established medicine, or the health insurance industry. We owe him a great debt of gratitude. God Bless you Bob Beck and thank you for all you've done to aid humanity.

Dr. Robert Beck
